

## Our City Apps

Stay connected in real time by downloading these free apps onto your mobile device. Accessing information about City news and services has never been quicker! To download, visit [Calgary.ca/MobileApps](https://calgary.ca/MobileApps) and connect today.

A white rounded square icon with the text "Calgary Transit" in red.

## Calgary Transit

## Calgary Transit

This app displays all nearby route options and departure times. With just a few taps, you can track your bus on the map, plan trips, view schedules and more. Plan your trip today and connect with the people and places you love!

A white rounded square icon with the number "311" in black and the word "Calgary" in red on a red background at the bottom.

311

## 311 Calgary

This app is your on-the-go connection to The City. Report and track select City services via your smart phone using location-based technology with the options to include a photo of the reported concern. Your City anytime, anywhere!

## Roads

This app is designed to help you plan your commute, including access to real-time information on snow route parking bans, travel times, traffic detour information, and City traffic camera feeds. Travel to your destination safely and efficiently!

## Parking

This app is designed to help make your parking experience in Calgary more convenient. Pay for your parking in any ParkPlus zone with the touch of a button, access parking rates and help locate an on-street or off-street parking stall. You can also pay with convenience while stuck in a meeting or from the restaurant.

## Calgary Newsroom

This app is your point of access to emerging City news, videos, careers, services and more. Stay on top of what's happening in your City!

## Garbage and Recycling Days

This app allows you to receive weekly reminders on when to roll out your carts along with sorting tips for your garbage, recycling, and compostable waste. Never miss a collection day by getting instant access to your schedule!

## **Pets**

This app provides you with information on programs and services on pet licensing, locating the nearest off-leash areas, lost pets, and more. Your furry friends can rely on us!

## **Downtown Public Art Circuit**

This app introduces you to a selection of beautiful and innovative artwork from The City's Public Art Collection. Take a tour of The City's art from your mobile device today!

## Golf

This app helps to enhance your golf experience through interactive scorecards, GPS yardage, live leaderboards, online tee time reservations, opt-in news and specials, and the ability to share your results directly to Facebook. Swing your way onto a golf course by downloading the app!

## Calgary Police Service

This app strives to preserve the quality of life in our community by maintaining Calgary as a safe place to live, work and visit. Report a crime by linking to the Citizen On-line Police Report System to report thefts from a vehicle, property damage, lost or stolen items. In an emergency, always call 911 and keep our communities and loved ones safe.

## Our Provincial Apps

The Alberta Government offers useful mobile apps to stay informed and up-to-date with the province. Download these apps and more at:

[Open.Alberta.ca/Interact/Apps-For-Alberta](https://open.alberta.ca/Interact/Apps-For-Alberta) to become better connected with our province.

## **Alberta Emergency Alert**

This app provides you with critical information about immediate disasters, where the disasters are occurring and what action you can take to better prepare yourself. Disasters can occur anywhere, at anytime.

## **Alberta Rivers: Data and Advisories**

This app gives you the latest information about Alberta's rivers, including flood advisories and comments issued by Alberta's River Forecast Centre. Be in the know to keep you and your loved ones safe.

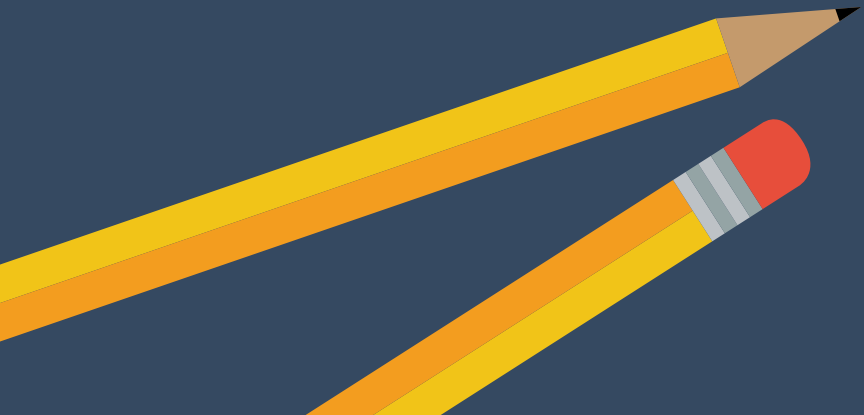

## Alberta Wildfire

This app gives you up-to-date information on wildfire conditions, hazards and allows you to report wildfires. See where wildfires are burning in Alberta and how they impact you.

## 511 Alberta

This app is the source for Alberta's official road reports and provides information on Alberta's Highway Network, including road conditions, incidents, construction activities, traffic status and more. Let's all get to our destinations safely.

## Alberta Air Quality Health Index

This app provides hourly updates of a number from 1-10 to indicate the level of health risk associated with local air quality - the higher the Air Quality Health Index number, the greater the health risk and need for precautions. Breathe easy with this helpful tool.

## Alberta Registry Services

This app offers a one-stop shop for a wide range of registration, information and licensing services. Always be properly prepared when it comes to your license and registration.

## Helpful Links

The City offers an endless number of useful resources to help you stay connected. Please visit [CouncillorDiane.ca](http://CouncillorDiane.ca) for a list of helpful resource links.
