

# Macleod Trail / 162 Avenue Interchange – Construction Notice #8

## Road closure and detours for Bridge work – Jan. 31 + Feb. 1, 2017

As work continues on the construction of the north bridge structure of the new interchange at Macleod Trail and 162 Avenue, some temporary closures and lane restrictions will take place overnight on **Jan. 31** and **Feb. 1**, 2017. These temporary closures and lane restrictions are necessary to allow construction crews to erect girders for the north bridge structure. These closures will take place overnight from 9 PM to 5 AM.

### January 31 Closures

- Southbound lanes of Macleod Trail closed
- Both directions of traffic shifted onto northbound lanes of Macleod Trail (2 lanes north; 1 lane south)

### February 1 Closures

- Northbound lanes of Macleod Trail closed
- Both directions of traffic shifted onto southbound lanes of Macleod Trail (1 lane north; 2 lanes south)
- Access ramps to northbound Macleod Trail will be closed
- Traffic to northbound Macleod Trail detoured north from Shawville Blvd./162 Ave. intersection
- Traffic to northbound Macleod Trail detoured north from Midpark Blvd./Sun Valley Blvd. intersection

**Please note that two-way east-west traffic and pedestrian and cyclist access will be maintained during this time on the current 162 Ave. bridge over Macleod Trail between Shawville Blvd. and Sunpark Dr.**

*For more details, please refer to the map on the reverse side which shows the upcoming temporary closures and lane restrictions, and suggested alternate routes that motorists could use.*
