

Southwest Calgary Ring Road

Construction Advisory

April 24, 2017

Pile Driving at the Macleod Trail Interchange

Activity and Location: As construction work commences for the Southwest Calgary Ring Road (SWCRR), KGL Constructors will be driving piling around the interchange of Macleod Trail S.E. and Highway 22X. The piling will provide foundation support for new westbound SWCRR bridges being built over Macleod Trail S.E. and the Canadian Pacific Railway line.

Site impacts are expected to include:

- An increase in noise during working hours
- Equipment working in and around the area
- Equipment entering and exiting roadways
- Periodic speed reductions and lane closures

Advisories announcing traffic impacts are posted on the project website at www.SWCRRproject.com.

Scheduled Implementation Date: April 25, 2017

Scheduled Completion Date: August 2017

Hours of Work: Monday to Saturday from 7:00 a.m. to 10:00 p.m. and Sundays and holidays from 9:00 a.m. to 10:00 p.m.

For your safety, please obey all construction signs and traffic control personnel when travelling through the area.

KGL would like to thank you for your cooperation and patience during this period of construction.

**If you have any questions or would like SWCRR updates, please contact our
24/7 phone: 403-212-0565**
