

Southwest Calgary Ring Road

Construction Advisory

June 30, 2017

Installation of Water Main near James McKeivitt Road

Activity and Location: As part of the work for the Southwest Calgary Ring Road (SWCRR), KGL Constructors will be installing a water main near the intersection of Highway 22X and James McKeivitt Road S.W.

Activity in and around the site is expected to include:

- Excavation for the new water main
- Drilling for the section of water main under Highway 22X
- Equipment operating in the area
- Equipment entering and exiting roadways
- An increase in noise during working hours

Construction to install the new water main near the communities of Somerset and Silverado will continue until mid-August 2017.

Scheduled Implementation Date: July 4, 2017

Scheduled Completion Date: August 18, 2017

Hours of Work: Monday to Friday from 7:00 a.m. to 6:00 p.m. and Saturdays from 7:00 a.m. to 4:00 p.m.

For your safety, please obey all construction signs and traffic control personnel when travelling through the area.

KGL would like to thank you for your patience during this period of construction.
