Construction continues: 92 Avenue S.W. & Patton Road S.W.

Crews continue work on 92 Avenue S.W. until Wednesday May 1, 2019. We are in the process of completing the tie-in to the existing sanitary system. While work is ongoing, only local/residential traffic on 92 Avenue S.W. will be maintained. Vehicles on Patton Road will be asked to use 96 Avenue and 19 Street S.W. as alternate routes.

Construction update: Southwest BRT

75 Ave. SW pedestrian bridge:
- Piling is underway during the evenings of April 29, 30 and May 1, between 7 p.m. and 10 p.m. Residents in this area may notice a temporary increase in noise during this time.
- Pedestrians are detoured to a street level crossing on the south side of the 14 St. and 75 Ave. SW intersection. This detour will be in place until fall 2019.

Vehicle lane construction
- Northbound 14 St. vehicle lanes are under construction, between Heritage Dr. and 75 Ave.
- Northbound 14 St. traffic lanes are shifted into the median, while crews work on the east side of 14 Street S.W.
- The southbound traffic lanes on 14 Street S.W. remain unchanged during this phase of construction.
- Ramp widening work begins on May 1, for the southbound ramp off Glenmore Tr. to 14 St. SW. See “Upcoming detours and lane closures” for traffic details.

Underground utility work
- Crews continue work at 14 St. SW and Heritage Dr. SW, from 7 a.m. to 7 p.m., May 1 to May 3. See “Upcoming detours and lane closures” for details on temporary intersection changes. All turning movements will be open, during this work.
- Construction is underway for the new BRT stations: Oakfield Dr./Braside Dr. SW and Southland Dr. locations on 24 St. SW
- Utility construction will begin for the westbound Southland Dr. and 19 St. SW station next week.

14 Street and 90 Avenue S.W. underpass
- Retaining wall, lift station, excavation and piling work is underway.

Southwest Construction Update

Other projects currently underway in this southwest area:
- Anderson Rd. widening, from 24 St. SW to Elbow Dr. SW
